The local allowance paid to Mr. Subba Rao has recently been raised to Rs 100. X ray and electro-therapeutic work is likely in course of time to become an ordinary part of medical work in every well-equipped institution and the principle of granting special allowance for such work does not seem to be sound.

Mr Subbarao claims an allowance of Rs. 50/- for doing X-Ray & Electric therapy work in the General Hospital Mysore. Mr C. A. Nanyappa who is ^{doing} in charge of that work in the Kutchi Hospital has been granted an allowance of Rs. 50/-.

Mr Subbarao has performed the X-Ray examination at Dehra Dun with a monitor, and is apparently the only officer who has got the same qualifications as Mr C. A. Nanyappa.

3 The submission note and the order of His Highness in the file 124, clearly indicate that the allowance of Rs. 50/- was granted for being in charge of X-Ray work. In the case of Mr Kuppusamy Mudaliar referred to by the Senior Surgeon, the allowance was not sanctioned as he was not a specialist, and had not a special training in X-Ray work. But that objection cannot apply to Mr Subbarao, ~~who has a special training in~~

4 ~~Minor point~~ Considering the nature of his work, it appears to be necessary that an officer at least of the rank of Assistant Surgeon should be placed in charge of this special work.

13 Government sanctioned in 1910, on the recommendation of Lt.Col. Smyth, an allowance of Rs.50/- to Mr. C.A. Nanjappa for carrying out X ray and Electro-therapeutic work in addition to surgical work in the Victoria Hospital. A similar claim is now made by Mr. S. Subba Rao for doing the same work in General Hospital, Mysore.

14 I have since discussed the question with the Senior Surgeon and he is of opinion that all Medical Officers can carry on this work without much difficulty when a certain amount of experience is gained and that there is nothing very special about it to justify a claim for a separate allowance. Under the circumstances, the allowance of Rs.50/- now drawn by Mr. Nanjappa for X ray work should

either be called by a different name or discontinued to him, as otherwise Government would be making an invidious distinction in not granting a similar allowance to Mr. Subba Rao.

Sir,

J. I have the honor to forward herewith, for the orders of Government, a copy of letter dated 12th August 1914 from Assistant Surgeon Mr. S. Subba Rao, praying for the grant of an X-Ray allowance of Rs 50/- per mensem for doing X-Ray & Electro-therapeutic work in the General Hospital, Mysore. The precedent referred to by the Durbar Surgeon in his forwarding memo is that of Mr. C A. Nanjappa, who in Government Order No. 4810-1 Med. 124-08-2 dated 3rd December 1910, was granted an X-Ray allowance of Rs 50/- per mensem as a special case. That the allowance is special to Mr. Nanjappa alone was made clear in Government Order No. 1807-8 Med. 252-10-4 dated 4th September 1911. wherein it was denied to the Assistant Surgeon who acted for him during his absence on leave.

V 2. I am informed by the Residency Surgeon that in the Bowring Civil Hospital only a Sub Assistant Surgeon who had three months' training at the Dehra Dun Institute, is directly in charge of the X-Ray apparatus, with a local allowance of Rs 15/- per mensem and that he works under the general

I may add that there is a Sub Assistant Surgeon in the Service who has undergone the X-Ray course at Dehra Dun at his own cost and who has been recommended to Government, in this office letter No. G. 74 dated 21-8-1914, for being deputed to Madras for 3 months for further training.

I have the honor to state that in obedience to the Government Order No. 5498-9 Med. 48-13-8 dated 18-11-1913, I attended the course of instruction at the X-Ray Institute, Dehra Dun; and passed the examination with Honours, obtaining 274 out of 300 marks. I fitted up the X-Ray apparatus at the General Hospital, Mysore, on the 17th June 1914; and have since been doing both X-Ray work and electro-therapeutic work.

I request that I may kindly be recommended to Government for an X-Ray allowance of Rs 50 per mensem.

Memo No. 112 dated 12-8-1914 from the Durbar Surgeon in charge General Hospital, Mysore, to the Senior Surgeon, M.G.
